	Function	Gabi is 38 years old and currently works as a pharmacist in Solothurn. 7 years ago Gabi had ski accident where she broke her arm. However, she recovered quickly. At the moment changing insurance is a popular topic among her customers as it is September. She overhears some customers talk about Transmed. Gabi at home compares her old insurance with the one from Transmed and decides to switch policy. This night Gabi will sleep well knowing she has been fully informed and advised agrees. Gabi at home compares her old insurance with the one from Transmed and decides to switch policy. This night Gabi will sleep well knowing she has been fully informed and advised agrees. Fransmed is offering. Gabi at home compares her old insurance with the one from Transmed and decides to switch policy. This night Gabi will sleep well knowing she has been fully informed and also saved a few bucks by switching her insurer.
